Student at National University Fairview | BSIT-MI
Caloocan City, National Capital Region, Philippines

Summary

Second-year BSIT-MI student at National University Fairview with a passion for tech and creativity. Proficient in videography, video editing, and drone photography, I've collaborated with clients on projects such as prenuptial videos and same-day edits. My goal is to achieve financial stability while pursuing my tech interests, from gadgets to gaming. During the senior high, I served as Chief of Police Assistant at a local station in Culion, Palawan, showcasing my leadership abilities. High honors graduate from Loyola College of Culion. Let's connect and explore opportunities in tech, media, and beyond!
